PATENT

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Patent No.:	6,781,112	Docket:	161DAL35BUS01
Issue Date:	August 24, 2004	Patentee:	Fei et al.
Title:	Device For Securing At Least One Optical Fibre To An Optical Apparatus		

REQUEST FOR CORRECTION OF CERTIFICATE OF CORRECTION

ATTN: Certificate of Correction
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

It is requested that a corrected Certificate of Correction be issued correcting printing errors appearing in the above-identified patent. The Certificate of Correction dated 22 February 2005 incorrectly identifies the column and line numbers where the errors appear in the patent. A corrected Certificate of Correction is enclosed. Also enclosed is a marked-up version of the Certificate of Correction dated 22 February 2005 showing the desired modifications to the Certificate of Correction.

- ☐ As some of the errors listed are due to Applicant's mistake, our check in the amount of \$100 is enclosed to cover the Certificate fee.
- ☒ As none of the errors listed is due to Applicant's mistake, no fee is necessary in connection with this Certificate.

Issuance of the corrected Certificate of Correction would neither expand nor contract the scope of the claims, and re-examination is not required.

Respectfully submitted,

ENZO FEI ET AL.
